R – Residential : Summer Village of West Cove**

APPROVAL OF DEVELOPMENT PERMIT

You are hereby notified that your application for a development permit with regard to the following:

CONSTRUCTION OF AN ADDITION TO AN EXISTING ACCESSORY BUILDING (2.7 m²)

has been **APPROVED** subject to the following conditions:

- 1- All municipal taxes must be paid.
- 2- The applicant provide a certified copy of plan of subdivision to determine all easements and restrictive covenants on the parcel, and 8.5 X 11 copies of site plans of a quality satisfactory to the Development Officer.
- 3- The applicant shall obtain and adhere to the requirements where applicable, from the appropriate authority, permits relating to demolition, building, electricity, plumbing and drainage, and all other permits required in connection with the proposed development.
- 4- The applicant shall be financially responsible during construction for any damage by the applicant, his servants, his suppliers, agents or contractors, to any public or private property.
- 5- The applicant shall prevent excess soil or debris from being spilled on public streets and lanes, and shall not place soil or any other material on adjacent properties without permission in writing from adjacent property owners.
- 6- The improvements take place in accordance with the plans and sketch submitted as part of the permit application, including:**

- **Side Yard setback shall comply with the requirements of the Alberta Building Code or be a minimum of 1.5 metres whichever is greater;**
- **Rear Yard setback shall be a minimum of 1.5 metres; and**
- **Maximum Height shall be 9.45 metres (average grade to peak).**

Note: Please be reminded that where walls are located within 2.4 metres of the property line they shall be constructed as a fire separation of not less than 45 minutes. (Alberta Fire Code -Article 9.10.15.5).

Note: Development shall also conform to the Alberta Electrical and Communication Utility Code. A copy of TABLE 9 – Minimum Design Clearances From Wires and Conductors not Attached to Buildings, Signs and Similar Plants is attached to the permit for your information.

- 7- All improvements shall be completed within twelve (12) months of the effective date of the permit.
- 8- The applicant is responsible for designing and constructing a building foundation drainage system adequate for the existing soil conditions.
- 9- The applicant is responsible for determining if there are any special considerations required for building foundation construction.
- 10- Positive grading must be provided to ensure drainage. A minimum gradient of two percent (and greater if possible) is recommended.**
- 11-The site and improvements thereon shall be maintained in a clean and tidy condition during construction, free from rubbish and debris. Receptacles for the purpose of disposing of rubbish and debris shall be provided to prevent scatter of debris and rubbish.
- 12-No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during the construction stage unless all necessary safety measures are undertaken. The owner of such materials or excavation must assume full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction.

NOTE:

1. *The issuance of a Development Permit in accordance with the notice of decision is subject to the condition that it does not become effective until twenty-two (22) days after the date of the order, decisions or development permit is issued.*
2. *The Land Use Bylaw provides that any person claiming to be affected by a decision of the Development Officer may appeal to the Development Appeal Board by serving written notice of appeal to the Secretary of the Development Appeal Board within fourteen (14) days after notice of the decision is given.*
3. *A permit issued in accordance with the notice of the decision is valid for a period of twelve (12) months from the date of issue. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, this permit shall be null and void.*

IMPORTANT NOTES

1. Any development proceeded with prior to the expiry of the appeal period is done solely at the risk of the Applicant even though an application for Development has been approved and a Development Permit has been issued. The period allowed for an appeal to be filed is 14 days after a development permit is issued.
2. Any person claiming to be affected by a decision regarding an application for a development permit may appeal by serving written notice to the Secretary of the Development Appeal Board within 14 days after a development permit or notice of decision was issued.
3. This Development Permit is valid for a period of 12 months from the date it was issued, or the date of an approval order being granted by the Development Appeal Board. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, the permit becomes invalid unless an extension has been granted by the Development Officer.
4. The applicant is reminded that compliance with this Permit requires compliance with all conditions affixed thereto.
 - a. This is not a Building Permit and, where required by any regulation, a Building Permit, and all other permits in connection with this development, shall also be obtained from:
