New Tax Payment Plan

The Summer Village of West Cove Administration and Council have developed a tax payment plan for residents. This tax payment plan is available to any resident within the Summer Village. If you are interested in joining, please see attached application/agreement form to fill out and send back to the Administration office. The program works that your taxes are split into twelve payments over the course of the year so that by the time your tax notice arrives in your mail box, approximately half of your taxes have already been paid.
