Dear Mayor Reinhold and Council:

Thank you for the email of February 23, 2017, from Wendy Wildman, Chief Administrative Officer, containing your final monthly report.

After reviewing the progress report, I am satisfied that the directives have been completed as ordered following the 2015 inspection report. Based on the summer village's report, I hereby conclude the directives contained in Ministerial Order No. MSL:014/16.

I appreciate the hard work and effort that the summer village council and administration undertook to address the matters raised in the inspection. I encourage you to continue utilizing the best practices that formed the basis for the directives. Please make use of the resources available through the Municipal Services Branch of Municipal Affairs at your convenience.

I anticipate that you and council will continue to make positive changes in the best interests of the community.

Thank you again for writing.

Sincerely,

Hon. Shaye Anderson
