

Summer Village of West Cove
Winter Road Maintenance
(contract position)

The Summer Village of West Cove is seeking submissions from companies interested in winter road maintenance work for the 2018/2019 winter season, and consideration may be given to a multi-year contract.

The Summer Village of West Cove has approximately 4.8 km of open roadway. The successful company must own, operate and maintain equipment for snow removal and sanding purposes (must list available equipment and applicable rates, and must note experience in snow removal/sanding services); provide a copy of WCB clearance certificate & have at least a Two Million Liability Insurance Policy (copy to be included in submission). If your listed equipment is unable to perform the work required (breaks down), the successful company must have alternate equipment/arrangements available for immediate snow removal.

Expectations:

-roads, driveway windrows and community hall parking lot are to be cleared when an accumulation of sufficient snow is on the ground, sufficiency to be determined by a Summer Village representative.

Proposals/Submissions will be accepted until Thursday, October 18th, 2018 at 12 noon, however the position may remain open until a suitable candidate is found.

Please forward your proposal/submission to:
