

Summer Village of West Cove
Compost Collection Site Policy

Resolution: 16-210

Date Effective: June 23, 2016

POLICY STATEMENT

The Summer Village of West Cove would like to act in a professional and environmentally responsible manner in respect to access and use of the West Cove Compost Collection Site.

PURPOSE

For the benefit of West Cove residents, the Summer Village has designated a site to collect branches, leaves, grass clippings and lake weeds.

RELATED INFORMATION

All other materials including lumber, plywood, tree trunks, tree roots and stumps, and wood chips must be taken to the regional landfill site for disposal.

RESPONSIBILITIES

1. Full access on or about May 1st to October 31st annually.
2. Only residents of West Cove are allowed to use the compost collection site for residential use, no commercial use.
3. Acceptable Materials are as follows:
 - Branches
 - Leaves
 - Grass Clippings
 - Lake Weeds (to be piled in designated area)
